

BROOKS BROS

FOR THE COMPLETE TIMBER SERVICE

BOND HOUSE

brooks bros for **fire-rated door blanks**

As part of its 'complete timber service' Brooks Bros are pleased to announce that fire-rated door blanks have been added to our range of timber products.

We now stock a range of high quality, fire-rated and tested blanks for both internal and external use from the industry's leading suppliers, Halspan and Flamebreak.

From the HALSPAN OPTIMA range; their Internal FD30 and FD60 fire-rated blanks with a solid 3-layer particle board core. An FD30 version with Crown Cut White Oak veneered faces is also available.

From FLAMEBREAK their external 430 FD30 and 660 FD60 blanks, manufactured with full 4mm hardwood plywood faces bonded to a 3-layer hardwood lumber core. An MDF faced version is also available.

So if you are looking to produce a high quality, high strength door and would like more details (full specs, size, and fire-ratings etc) please call or email your nearest/usual Brooks Bros Sales Office today.

Door Sizes: FD30 44mm | FD60 54mm
2135mm x 915mm | 2440mm x 1220mm
