

GENDER PAY GAP REPORT

2023

Brooks Bros (UK) Ltd is required by law to carry out Gender Pay reporting under the Equality Act 2010 (Gender Pay Gap Information) Regulations 2017.

The data analysed for this report relates to the snapshot date of 5 April 2022 and the difference between bonus payments made in the 12 months preceding the 5 April 2022.

Pay difference between men and women at Brooks Bros (UK) Ltd:

Mean Gender Pay Gap 19.71%
At 5 April 2022

Median Gender Pay Gap 1.76%
At 5 April 2022

The mean figure is the difference in the average hourly rate of pay between all men and women in the company. This is different from 'Equal Pay', which is the difference in pay between men and women who carry out the same or similar jobs.

The median figure is when all the hourly rates of pay are put in order from the lowest to the highest number and the middle number in the row is called the median.

Proportion of employees awarded a bonus

Men 26.21%

Women 16%

Bonus difference between men and women:

Mean 53.54%

Median 0%
